

Certificate

PricewaterhouseCoopers LLP has assessed whether the environmental management system at

Alberta-Pacific Forest Industries Inc. Pulp Mill
684009 Range Road 195, PO Box 8000, Boyle, Alberta, Alberta Boyle T0A 0M0 Canada

meets the requirements of the standard noted below (the Requirements).

ISO 14001:2015 Environmental Management System Standard

Scope of Certification

The processing and production of fully bleached hardwood and softwood kraft pulp, and production of methanol.

Management is responsible for ensuring the management system meets the Requirements. Our responsibility is limited to assessing whether management has demonstrated that the Requirements were met. Our assessment was conducted in accordance with ISO 17021 management systems assessment standard and, accordingly, included examining, on a sample basis, evidence supporting management’s assertion that the Requirements were met.

A description of our responsibilities for the assessment of the management system is located at www.pwc.com/ca/certificate. The ISO standards can be found at www.iso.org.

Based on our assessment, the management system met the Requirements, in all material respects, as of September 25, 2026.

The validity of this certificate is subject to satisfactory annual maintenance assessments.
